

Sugarcraft Modelling – Stage 1. ‘Lola & Patch’

Saturday 10th May 10:00am – 4pm

Suitable for Beginners to Modelling.

This workshop is an introduction to creating Sugar Figures, whether you are a beginner to sugar modelling or want to refresh your skills you will be welcome.

During the class you will learn the simple techniques needed to create a basic seated sugar figurine and a dog using just a handful of basic tools.

After Sarah has explained the essentials of modelling in sugar, you will learn the basic skills and techniques needed to create novelty characters suitable for use on your celebration cakes.

Sarah will show you how to use professional modelling paste and how to colour it. You will learn how to, proportion a model, structure your model, create limbs and basic facial features as well as a dog.

Sarah will give you tips, to add finer details to bring your model to life. This is stage 1 of creating sugar models.

You will take home the knowledge to be able to create your own novelty models for use on your cake creations

Class fee £90

All Materials included. You need an apron and a light lunch.
