

Animal Modelling Class

10am – 5pm

Learn the art of modelling cute sugar animals.

During the class you will learn:

- ~ How to sculpt handcrafted sugar animals using sugar modelling paste.
- ~ The basic principle of 'making shapes' to create any sugar animal.
- ~ How to correctly structure & proportion your animals.
- ~ How to create Character.
- ~ How to use edible dusts to enhance your models.

The class will leave you with the skills to recreate your models and the knowledge that can be adapted to make many more types of animals.

This class is suitable for beginners and improvers who wish to further their skills. Everything you need to create your models is provided as well as a box to take them home in. You need to bring a notebook and pen, a light lunch and an apron. Tea and Coffee are provided.

This is a small group class with a maximum of 6 students, ensuring that there will be plenty of individual attention.

Class Fee: £90

****Please Note:** The skills and techniques learned during this class are intended for your sole use, they may be used to create cakes for you to sell within your own business or for personal use. Under no circumstances may the class in whole or part be replicated and taught or demonstrated either physically or online, this includes handouts/written instruction which are also deemed copyright of The Crafty Kitchen - Sarah Garland.
