

During this full day of cake decorating, Sarah will provide you with a ready *ganached sponge cake and show you how to create this Sewing Box Illusion Cake. (An Illusion Cake is a cake that looks like a real item)

During the class, you will learn how to.

- Colour sugarpaste with professional grade colour gels.
- Create a 'Wicker' basket effect with sugarpaste, and how to cover your cake with it. Sarah will also demonstrate this effect using Buttercream, time permitting.
- How to create a lid for your sewing box.
- Create edible textured fabrics and lace.
- Create sewing tools from modelling paste, scissors, buttons, cotton reels, a needle and thimble. we will create these with hand modelling, moulds and Sarah will show you how to create your own mould using mould compound and real sewing related items.

This design is open to your own interpretation, Sarah will encourage you to add to the design as you wish, change colours etc making the design your own.

There are two price bands for this class, as you may wish to work on a Polystyrene dummy rather than a real cake, enabling you to keep your creation.

Price band A. Real Cake Supplied £135

Price Band B. Dummy Cake £125

Everything you need to complete the class is provided for you. You will need to bring your apron, a light lunch and notebook and pen. This is a small group class, giving lots of individual attention and is therefore suitable for beginners and improvers.

To book this class please send a Booking form via my website; <https://www.thecraftykitchen.co.uk/booking-information>
On receipt of your form I will request a £50 booking fee to secure your space on the class, space allowing.
